Discovering beauty is
an endless adventure.
Bringing beauty to the lives of our clients is what moves us forward each day.
The **TREND Group** was founded in 2000 by Pino Bisazza who, together with several colleagues, created an enterprise that blends artistic Italian tradition with respect for nature, along with the most innovative technologies – a company that now boasts hundreds of employees around the world.
What makes TREND the excellent, devoted company it is today is its commitment to detail in the creation of aesthetical environments, built with the best technology and an eco-friendly, innovative system.
TREND Group is the world’s leading full-body glass mosaic, gold mosaic and Venetian enamel designer and producer.

TREND has demonstrated a unique ability to synthesize the essential principles of its Italian tradition with the dynamic creativity of today’s most celebrated designers, architects and artists.
TREND enjoys the freedom of the unbiased.
TREND produces imaginative ideas and solutions, and pays homage to beauty through its expressions.
Endless possibilities for your featured projects.

Beauty is all around.
A tribute to the ever changing, always beautiful Venetian Terrazzo. From The Renaissance to Art Deco, the transformation of this precious surface has evolved over time and continues today.
The combination of the best components of TREND materials’ elevate the new products to a superb level of quality. The continuous process of improvement leverage not only the resistance but also the elegance and sophistication of TREND products.
The SUPREME expression of light through TREND's finest materials.
The ultimate expression of nature, art and the human mind. Transcendence is a deep human impulse. A deep-rooted desire to leave an impression, a hallmark, even after we’ve disappeared. Impressions which last, transcend time, transcend spaces.
There are hundreds of roads to adventure, to create our own covering designs through customized solutions relying on TREND’s designers. The possibilities to let you guide of the creativity and fantasy are infinite.
